4's Class

Classroom Update:

Can you believe the end of the preschool year is approaching? We have had such a great year!

This month, we will focus on learning our graduation songs, practicing basic skills, and Mothers Day. Our End of Year Celebration is for preschoolers and their families May 15. Please continue to practice Graduation songs with your child. Links to the songs were posted on Procure.

Preschool prom is this Friday May 1st from 7-9pm. This is a special night for you and your child. We will have light refreshments.

Make each day
your masterpiece.
