## Notes

Please continue to send coats daily. When it is warm enough we will try to take short walks just to get some fresh air.

If your child is using diapers or pull-ups please consider sending in resealable ones. Especially during winter, it can be very difficult undressing and redressing children including shoes while trying to ensure the safety of the other children in the restroom with us.

\*\*We may have more painting this month if we end up with make up art from January due to weather. We will try to communicate prior to the day so you can choose clothing. Overall the children are doing so much better with wiping paint on their clothing!
