### Notes

Please continue to send coats daily. When it is warm enough we will try to take short walks just to get some fresh air.

If your child is using diapers or pull-ups please consider sending in resealable ones. Especially during winter, it can be very difficult undressing and redressing children including shoes while trying to ensure the safety of the other children in the restroom with us.

We have A LOT of white painting planned this month, check the calendar but know we will make up items we missed as we can.

"And the shepherds returned, glorifying and praising God for all they had heard and seen, as it had been told them"  
Luke 2:20
