

SEPTEMBER

4's Class

Classroom Update:

Welcome to a new school year! We are looking forward to getting to know all our new students.

This month we will be focusing on learning our classroom routines and expectations. We will also be making lots of new friends and learning how to be a good classroom citizen.

Before we begin learning new things, we will take some time to review all the important things we learned last year!

Always be kinder
than you feel.
