*We will be working on assessments this month. Please keep in mind your children will often do more for you at home than they will do for us at preschool. We do listen in class for who's calling out colors & counting. We watch during playtime to see who's sharing, following directions, etc. because often times children do not perform on the spot for us...this is normal don't worry!

With cooler weather we are reminding parents to please send in resealable diaper/pullups if possible. We go to the restroom as a group and spend a lot of our restroom time removing shoes, undressing and redressing children for restroom visits without resealable diapers/pullups while also trying to keep an eye on the the whole class.

As always we are very grateful for snack donations for our classroom. Fresh fruits and prepackaged snacks are great. No chocolate or gummy products please.
